

~AAAEngine Warranty~

Statement of "limited" warranty on remanufactured engines

This warranty is free of charge and not billed to the customer

This is the only rebuilt engine warranty applicable for remanufactured engines by AAAEngine. The original invoice and this document must be presented in order for this warranty to be honored by AAAEngine.

~AAAEngine Policy & Service Instructions~

- *You have 24 months warranty unlimited miles on the engine only which exclusively covers parts.
- *Oil & Oil Filter must be changed at first 500 miles with Castrol 20-50 oil. (DO NOT use Synthetic Oil).
- *You may use the factory recommended oil after the first 500 miles for your vehicle.
- *Range Rover & BMW engines must use synthetic oil, after the initial 500 mile break in period.
- *Oil and Oil Filter must be changed every 3,000 miles as part of regular maintenance following the first 500 miles.
- *For the first 500 Miles, DO NOT drive your vehicle above 75 MPH, and keep the RPM's below 3,000.
- *If AAAEngine does not perform installation on your vehicle, no compensation for labor charges will be granted under any circumstances.
- *Any damages resulting due to shipping/transit i.e. broken pallets, torn shrink wrap, etc., must be denied and only received with authorization from AAA Engine. AAA Engine will not be held liable for any engines picked up in such conditions and the warranty will be void.
- *If AAAEngine performs installation on your vehicle, it is only liable for the engine replaced and not for any part in the vehicle [e.g Transmission, Brakes, Tires]
- *Please be aware that all engine photos posted on Ebay /AAAEngine are simply representations of the engines we have available; Actual engines vary year to year & may appear slightly different than pictured in the photo.
- *Estimated Handling time can range anywhere between 3-10 business days & shipping between 5-14 days [International shipping times vary from 45-60 business day shipping & handling time]
- *Shipping & handling time frames begin on the day the buyer pays for the refundable core deposit.
- *It is the responsibility of the buyer to inspect all parts received in the engine provided for accuracy upon receipt of the engine.
- *We recommend installing a brand new water pump with the engine if you are purchasing just the engine itself.
- *Please be sure that car radiator and thermostat are in good working condition as AAAEngine will not be deemed responsible if the engine has overheated or has blown a head gasket.
- *Prior to performing the engine swap please be sure no additional parts/accessories need any replacing.
- *It is solely the customer's responsibility to detect that all necessary accessories not pertaining to the long block are in undamaged good working condition prior to the engine swap.
- *Please be aware that AAAEngine is NOT liable for any accessories already in the vehicle which are not functional and that may result in the potential damage of your engine.
- *AAAEngine is in no way liable for any additional expenses endured by the owner [e.g replacement of parts, storage fees, towing fees]
- *Should any engine and/or part received be deemed inaccurate, AAAEngine will replace the engine and/or part for the buyer.
- *Buyer is responsible to pay half the original shipping cost when shipping back the core.
- *If in the event that the engine provided is deemed defective and/or inaccurate by the customer, the customer is responsible to ship back merchandise at his/her own expense prior to receiving the correct engine.
- *No merchandise will be shipped prior to receiving and inspecting original engine and/or part at the AAAEngine facility.*Buyer is fully responsible to pay return shipping cost on any merchandise received from AAAEngine if he/she wishes to return merchandise for exchange.
- *All Engines and/or parts returned will be inspected for accuracy and must be in undamaged condition for an exchange.
- *All Engine sales are final, and no full refunds will be granted under any circumstances.
- *AAAEngine holds the right to refuse reimbursement of the core deposit if the engine is deemed non rebuildable.
- *Warranty is VOID if customers fail to comply with vehicle services stated above.
- *Refundable Core Deposits will be refunded up to 45 days of the core arrival date.
- *If in the event that any issue arises under Warranty, the buyer should ship back the original motor and in exchange will receive the identical engine back except in good working condition.
- *Any warranty issues must be submitted by engine owner through the Main Contact Form at www.AAAEngine.com
- *All AAAEngine customers are expected to have read and fully acknowledge this warranty prior to making their engine purchase.
- *Customer hereby agrees to payout ANY arbitration costs to AAAEngine if a warranty issue is to arise within the contract period.
